

## **Kpelle Resources**

### **Bible.is mobile app**

The free Bible.is mobile app enables you to read or listen to the New Testament in many different versions.

It also has the audio New Testament in Kpelle and other languages.

### **Get Bible.is App**

You can get the Bible.is mobile app here:

[Listen to the New Testament in Kpelle \(Android phone\)](#)

[Listen to the New Testament in Kpelle \(iPhone\)](#)

### **Using Bible.is App**

Type "Liberia" in the search bar at the top.

Then select the Language.

You can then see clips from the Jesus Film or open the bible.

Then select a book and chapter to listen to.

You can select to download all the audio for that language, so you can use it off-line.

### **Short Talks about Christianity**

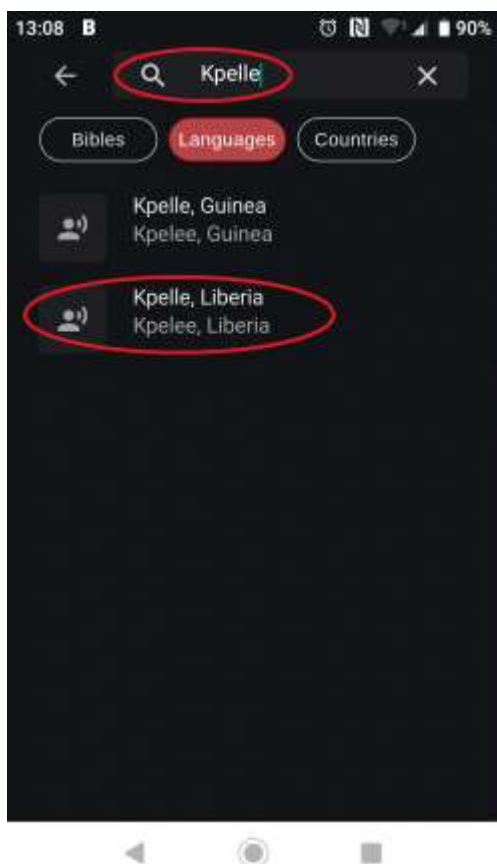

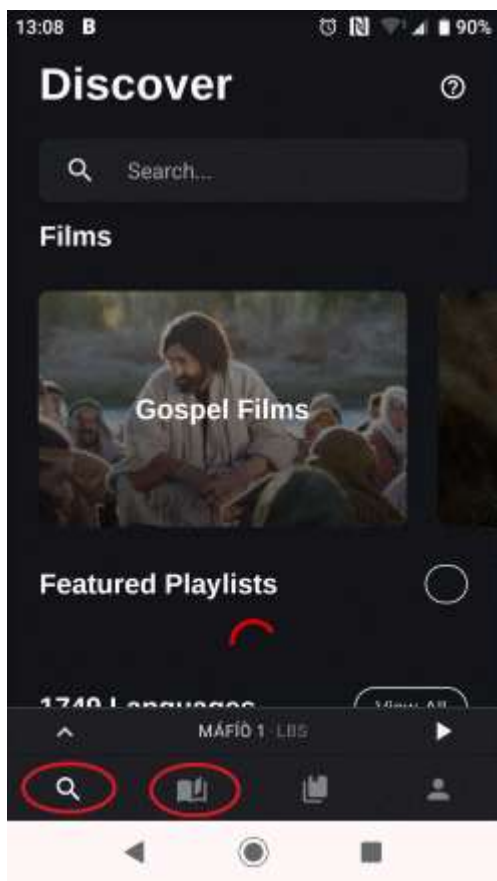

[Listen or download some basic talks about the Christian faith here.](#)

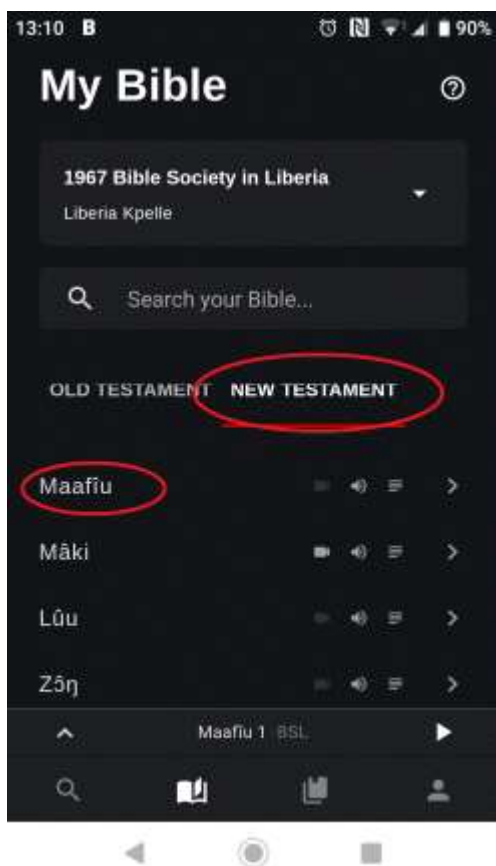

### **Jesus Film**

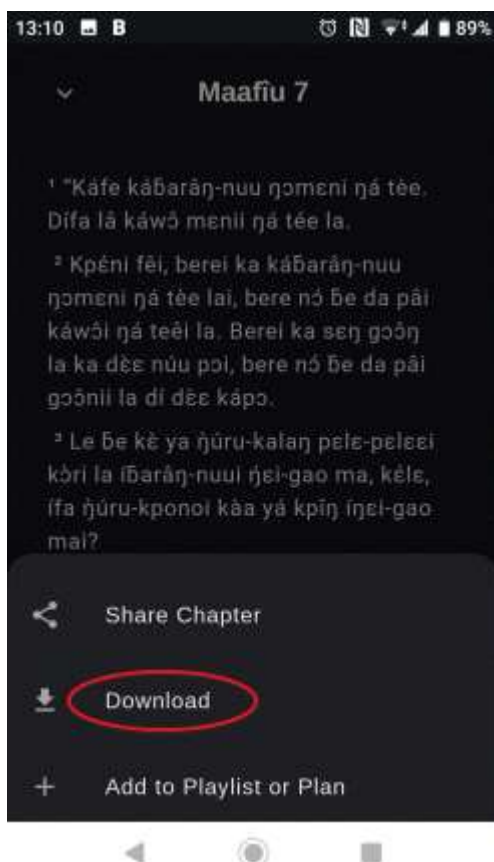

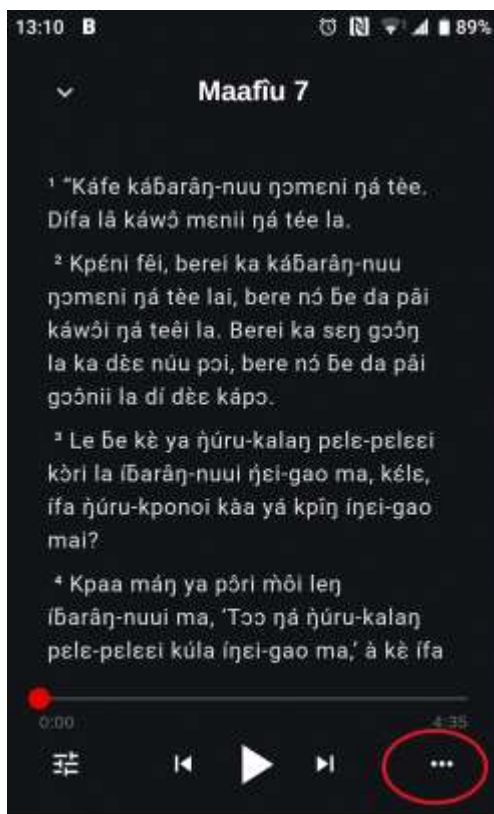

[The Jesus Film \(a highly compressed version for minimal download cost\).](#)

### **Bible App Instructions**

Once you have chosen your preferred bible, go straight to it using the bible-icon at the bottom, or lick the Search icon to select the bible.
